Smart Airports & Region Conference – July 23-25, 2018

The SMART AIRPORTS & REGIONS Conference & Exhibition is the premier event covering how SMART Airports and their adjacent Regions are leveraging “Connectivity” to stimulate “Innovation and Opportunity”. The annual SMART Airports & Regions conference and exhibition will explore the catalytic effect and critical success factors covering the economic development ecosystem of SMART Airports and the Regions they serve, integrate and connect with. At the core of Smart Regions is strong transportation infrastructure, seamlessly connected and coordinated. The key infrastructure pillars comprise of transportation, power, integrated utilities, urban development, resource management and IT based connectivity SA&R focuses on SMART strategies, opportunities and innovations that development, design, technology and the Internet of things is bringing to environments, communities and cities.

With extensive analysis of the Smart Airport and City/Regional landscape, and in-depth focus on the drivers, hurdles and opportunities for different stakeholders within this ecosystem, Smart Airports & Regions Conference leads the way with its innovative, interactive agenda.

EEDC, EAI and Nisku/Leduc Economic Development Association are hosting the Welcome Reception at the Shaw Conference Centre and the Gala at Fort Edmonton Park for the subject event.

Please feel free to visit the website as it is updated often with new content.
